

Social Explorer is a fast-growing software company passionate about helping people understand the world through data. We combine technological innovation with data expertise to create innovative web solutions for data visualization and processing. From our offices in Sarajevo and New York City, our diverse team of engineers, designers, and data scientists serve customers in education, media, business, government, and other industries. Our products have been used by millions of people around the world to explore and transform data into meaningful information visually.

With great products and maybe even better people behind them, we are always looking for passionate, fun, and hardworking individuals to become part of our team during the Summer Internship program. This is an amazing opportunity to gain invaluable knowledge and experience in your field, so don't miss out!

Required Skills and Background:

- Must be a student enrolled in their third or fourth year of studies, recent graduates within one year of graduation, and first-year Master's Degree students majoring in Marketing, Business, Data Science, or User Experience (UX).
- Must have an upper-intermediate level of English.
- Must have a strong work ethic and be highly motivated
- Must have the ability to work independently and as part of a team
- Must have strong written and verbal communication skills
- Must have good problem-solving skills
- Must have a positive attitude and be willing to take on new tasks and challenges

We're offering you the following:

- Work contract – for eight weeks
- Paid Internship
- 4-Day Working Week (Fridays are off)
- Free lunch in our kitchen.
- Equipment for work

Furthermore,

- A chance to learn from experienced professionals in your chosen field
- The chance to build your resume and gain valuable experience
- A chance to get a better understanding of the industry and develop your skills
- Hands-on experience with current industry tools and techniques
- Mentorship programs

How You Apply:

We invite you to apply for our Summer Internship Program by sending your CV to sejla.lacevic@socialexplorer.com with "Application for Summer Internship Program" in the subject line. All applications will be reviewed, and only shortlisted candidates will be contacted for interviews.

Location: Sarajevo, Bosnia and Hercegovina.
